## Tulsa Chapter

Building Professionalism in Project Management®

### At the Intersection of Project Management & Knowledge Management

**Dr. Suliman Hawamdeh**

Something new for 2008! Join us for a joint meeting with the PMI OKC Chapter, via video teleconference. Professor Suliman Hawamdeh of the University of Oklahoma will introduce the subject of Knowledge Management (KM).

This meeting is not our usual date or place. We will be in North Hall 220 for this meeting only.

Dr. Hawamdeh is the Chair of our Knowledge and Project Management Symposium which is scheduled for August 18-20, 2008 at OU-Tulsa. <http://www.kpmsymposium.org> Prior to joining OU, Dr. Hawamdeh founded and directed the first Master of Science in Knowledge Management

in Asia at Nanyang Technological University in Singapore.
